Salo Manufacturing offers a full line of fiberglass models to fit most any bath or shower need. Salo offers...

- A standard line of high-quality tubs, showers, and tub/showers in a wide variety of sizes for new construction and remodeling projects.
- A full line of ADA compliant handicap accessible units, including many barrier-free models.
- ADA compliant accessories such as grab bars, seats, curtain rods, and plumbing package.
- Reinforcement of standard units for custom grab bar placement.
- Factory installed grab bars.
- Shower bases in several sizes.
- Domes for select models.
- Unlimited solid-color options.

Standard features on ALL Salo units include...

- Lustrous smooth-wall finish.
- Textured floor to reduce slips and falls.
- Added reinforcement on walls for easy faucet installation.
- Wood reinforcement under the floor for additional structural strength.
- Wood reinforcement for future shower door installation.
- Extra-long nailing flanges for easier handling and installation.
- A five (5) year limited warranty.

Salo units come in three (3) standard colors

- White
- Biscuit
- Almond

Any other desired color can be matched and manufactured by our color specialists, giving each customer the ability to uniquely coordinate all bathroom fixtures. Salo has an excellent lead time on special-order colored units, far surpassing the competition.
